

December 1938

Tuesday 6

Blowing a strong gale from
the West and very mild. Down
over to town this morning the
roads drifted over in some places.
A Plail going South, Duncan,
helping Johnny getting fire wood.

Wednesday 7

Continues very stormy and mild.
Johnny got the mail.
We got a sheave from Sid Martin.
Very little doing. It is very
cloudy to night and lots of snow.

Thursday 8

Blowing a strong West wind
and mild but not thawing.
Duncan hauled a load of
green wood from top of the Hill
where Frank is cutting. A Plain
left the Lake going South West.

Friday 9

Snowed during the night but
clear this morning. Duncan
got a load of wood. I was
busy at odd jobs.
