October 1940

Mon 1st cold and stormy this morning
Fred went for a load of sheaves

Tue 1st fine this morning but started to
blow a strong West wind about
noon and continued all day
Fred left for Dawson Creek this
morning & had his teeth fixed
I was busy at work jobs

Wed 16 cold this morning and continued
cold all day blowing a N.W. wind
John took the mail Fred got
back this evening

Thu 19 started to rain about daylight
this morning and continued
all day and very cloudy
to night Duncan got home this evening

Fri 18 started to snow this morning and continued
all day Fred raised a trap of water from
Thompson's dam cold and stormy
to night wind North East
