

JUNE MONDAY 20 (172-100) 1904

Raining slightly but it continues  
it with rain the rest of the  
garden rain did not amount to  
much for Samson started to  
but Samson was no good at  
to get read

TUESDAY 21 (173-100)

Received a pair of off on a  
but not unduly as the more  
had seen the Peake River  
although the a stayed all the  
about 4 miles from here  
arrived Samson a self went  
some for that I kept very  
River falling all the way  
this morning for Bog Island  
for another

WEDNESDAY 22 (174-102)

Very windy fresh and  
started to rain about 10  
at continued till late in  
Bog \* had to stop when  
Self started to change in field

JUNE THURSDAY 23 (175-101) 1904

Bog with Samson  
paths self in place or  
with long with fine soil  
middle of ground arrived  
from Bog Island

FRIDAY 24 (176-100)

Splendid day very warm  
before weather of over  
long

SATURDAY 25 (177-100)

Very still sawing  
a fine for a shroud  
+ office Bog finished  
Sunday 26th  
Monday 27th  
with Bog day out for a
