

JUNE

MONDAY 27

(179-187)

1904

Very warm for a Reel with potatoes
sprouting large for growth. Garden
at potatoes self in office & garden

TUESDAY 28

(180-180)

For want: up to behind to get out a log
for some Samson at. The whole self
no before strong wind

WEDNESDAY 29

(181-185)

Very warm Samson cutting wood
for Reel, a my phone went up to island
but the wind off boat hunting &
returned from wind. One & saw another
very windy

JUNE

THURSDAY 30

(182-184)

1904

Hot day of June
that up to back a started at seven for
reel up cut a few fine things & went
to back for the Reel. The
after we started here. The
Windy but windy heat
but to rough: no heat

FRIDAY 1

(182-183)

Hot day of June
that up to back a started at seven for
reel up cut a few fine things & went
to back for the Reel. The
after we started here. The
Windy but windy heat
but to rough: no heat

SATURDAY 2
