

May 1943

- Thu 27 Started to rain this morning wind from East
 a few heavy showers during the afternoon
 very cloudy and overcast I put in some traps and flew seeds
- Fri 28 A light frost this morning. Rained a little during the night
 I was busy in garden John very sick. Fine warm day
 before a strong West wind
- Sat 29 A fine clear day till discovered to town
 in the afternoon. I started a few rabbits in evening
- Sun 30 Rained during the night
- Mon 31 Cloudy this morning and blowing a cold North
 wind tried working at telephone line

June 1943

- Tue 1 Cold with rain and blowing a cold North wind
 very little doing on account of bad weather
- Wed 2 Rain and snow this morning. Blowing a cold North
 wind a few showers in afternoon
- Thu 3 Cloudy and overcast I put in some onion sets and
 a few carrot seeds tried working with R. Osborn
- Fri 4 A fine clear morning tried as before I was working
 in the garden
- Sat 5 Cold last night but fine this morning blowing a cold
 North wind tried as before
