

July

THURSDAY, 4

(186-180)

1907

Sely working in office rain all day  
Very little doing, excepting the steamer  
but did not turn up

FRIDAY, 5

(186-179)

A fine mild day. Summer at potatoes  
Rotated nothing, sely at odd jobs.  
River falling

July

SATURDAY, 6

(187-175)

1907

Busy as yesterday. Pentameris fine weather  
Oaken & dahlias killed by young mouse.

7

SUNDAY, 7

(188-177)

A fine warm day. River falling  
lots of honeybees
