

Thursday August 7

Rain nearly all day self working at  
her house old McCreilly helping  
a few Indians came in

Friday 8

old McCreilly went home this morning  
Self finished her house

a fine warm  
day also and a few others arrived from  
Appleby Lake and brought in some  
moose meat Most of the Indians are  
drying berries at Chimney Prairie and  
a few of them at the north Pine

Saturday 9

Self making window frames for Mosquito  
netting Started to cut oats in afternoon  
a very hot day the water falling fast

Sunday 10

a fine morning but ~~no~~ rain again  
towards evening self out looking up  
Hay

Monday 11

a fine clear day self busy at odd jobs  
Mr Murray B.C. official arrived from Hope  
he is looking over the country for the  
Government rain towards evening  
5 Indians arrived from the north

Tuesday 12

a fine clear day self busy with Indians  
Mr Murray went out to look at the Crossing  
of the north Pine  
The Indians left for their Camps this evening
