

November  
 Friday 28 October  
 Self in office all day Penny at fire wood  
 a fine warm day

Saturday 29  
 Penny out looking for Hoses he found  
 them all in good shape down at the Pine  
 he brought in the Grey Street  
 Self at work  
 started to snow in the morning and  
 continued heavily all day Cleared  
 up towards evening

Sunday 30  
 a fine mild day Joe Apparition  
 came in from the South Pine River  
 he crossed on the Ice below the Chasm

Monday 1<sup>st</sup> December  
 Penny went for a load of hay  
 Self had cleared the place continued  
 fine weather

Tuesday 2  
 Self & Penillous man butchered the black  
 cow but found after opening her that  
 she had tuberculosis and was not fit  
 to eat but will make dog feed

Wednesday 3  
 Penny went for a load of hay  
 but had to leave the sled on top of  
 the hill as the snow was all gone  
 continues very fine weather
