

November 1927

Saturday 26

18 below this morning Willie cut some fire wood and then he took the mail up to the Post Office, as the mail goes out this evening. Self busy at odd jobs. Very cloudy towards evening.

Sunday 27

I heard that Inspector Fowler left along with Sgt & C Masters and 3 teams for Fortat Cold and strong all day wind from north Willie came down with a load of skins.

Monday 28

Constant cold 22 Below this morning self and Willie at odd jobs I burnt fire wood in afternoon Willie put out a few traps. Damsel brought down a little honey.

Tuesday 29

Cold all day 20 below this morning self went up to Fish Creek I saw Mr Strand the bear keeper also passed a short time. 30 below zero this morning at Fish Creek it is much colder up there than it is down here in the valley.
