

January 1928

Thursday 12

A little colder by day very cloudy
wind North East. Started to snow about
noon and continued until about
7 in the evening fell about 2 inches of snow
with a strong N E wind. Willie got back
this evening having got the horses & had

Friday 13

Continues mild. Willie went for a
load of feed. The cattle came home
this afternoon having been gone for
3 days. Mail got in this evening.

Saturday 14

A fine clear day. Self at ed feed
Willie went for the mail
taking his mother along to visit
Mrs McLeod. A McLeod went across
the River to get some meat for his
dogs & a cow & cattle who went across
the River and died. They belonged
to Nelson the Live Man. George
found and brought in the horse I had
lost. Well

Sunday 15

Continues very fine weather blowing
a strong West wind for the past
3 days. Mild but not thawing
