

July 1928

Sunday 22

Continues fine weather the Cattle
went over to the Island last
night and the White Cow had
a calf

Monday 23

Very hot day, starting at potatoes
and also made a grade down to
the River. The River going down
fast. I brought my boat up here
this evening, and I intend
to put in a net.

Tuesday 24

Weather fine, I drove up
to Fish Creek

Wednesday 25

Very dry & hot weather
working up potatoes, willie
brought up a herd of Houghton
H. B. sheep

Thursday 26

One of the new sitters got stuck by a
runaway team yesterday at Mountain
River and died about after he
was brought in, he was buried
to day at the old grave yard at
the Old Post. Weather fine

Mail arrived there is going
to be a weekly Mail Service
from date
