

February 1929

Monday 18

Cold this morn'g. Self went up to the Post office. Willie went up to his place to cut rails & clear land. Mild towards evening. The McDougalls left this morning for Rolla.

Tuesday 19

A fine mild day. Wind from West. Self cut some fire wood in bush in afternoon.

Wind shifted to N.E. this evening and blew a very strong cold wind which lasted all night.

Wednesday 20

Started to snow this morning and continued all day. Self went to the bush and cut some fire wood.

Thursday 21

Cold & stormy with a little snow. I hauled some fire wood after dinner. Willie came home this evening and brought a load of fuel.

Friday 22

Continues stormy. I went up to Fish Creek after dinner. The road was very bad all drifted over.
