

May 1929  
Wednesday 8

A fine clear day. I was working in the garden. Also planted a few potatoes. Fred arrived from his work along with Mrs. Spenser. When he has been for the winter at his work.

Thursday 9

Continues fine weather. I went up for the Harrows. I took Angus coming down with some feed and oats. I got back about 5 o'clock. Cloudy and overcast.

Friday 10

Sowed oats & wheat mixed in the field this morning and harrowed it after dinner. Smithwick down for a visit with his car. also Mr. Copland drove down for a few potatoes. Breezy towards evening.

Saturday 11

Cloudy. I hauled a few loads of manure in the morning. Started to rain about 11 o'clock but cleared up about 1 P.M. and I went up for the mail. Started to rain again about 10 P.M.

Sunday 12

Rain this morning but cleared up about noon and we drove up to the boys place for supper. Started to rain again this evening.
