

May 1929

Tuesday 28

a fine clear day I harrowed the potato garden this morning after dinner I went up to George place and planted some potatoes

Wednesday 29

continued fine weather I went up to George and planted 1 sack potatoes and some cabbages I then went up to see the boys Willie was harrowing cabbages field they will be sowing cabs tomorrow. Cloudy this evening and may rain

Thursday 30

a fine mild day I finished the fence around the potato garden. Cloudy towards evening Rain with Thunder about 7:30 this evening but cleared up about 9 o'clock

Friday 31

a fine warm day I went up to the P.O. and got our mail cloudy towards evening

June 1929

Saturday 1

cloudy all day the MB Wunders arrived this morning and after staying a short time continued up the River the water falling. Set an Mining account.
