

May 1930  
Monday 5

Blewing a strong west wind all day I was busy in garden plants hauling manure to the field. We had a visit from Bill Krause who came in from My Creek for a Wagon to take in his family.

Tuesday 6

Weather fine a number of fogs all over. I went up to the Barracks after dinner. Tomkins bought some Oats for Mooney. With his Gas Boat this evening

Wednesday 7

Continues fine Frank and I sowed Oats after dinner. Young Mooney busy hauling his Oats up from the Old Landing he left part of it here

Thursday 8

a fine warm day I sowed some Oats in the back garden this morning Frank & Fred sowed 1 of Guy's fields in Oats. I went up to Angus place after dinner. The ground as getting very dry a big rain would help the crops.

Friday 9

Weather fine I hauled a few loads of Manure to the bush. I also had a Visit Post Carmichael & 2 others came down with a car. Frank went up and got our mail
