

May 1930

Thursday 15

We planted 2 1/2 Sks potatoes this morning in the old field and Frank went up and got the mail after dinner

Friday 16

Weather fine, the D A Thomas got off the Bar this morning the water rose and floated her off. She left for the Crossing this evening. A blizzard began around noon and lasted all day

Saturday 17

A fine clear day fixing up the Corral. I went up to the HB Co for a few supplies after dinner & then went to see the boys. Demers busy plowing

Sunday 18

blowing a strong west wind all day. Weather rising fast. We had a visit from Mr Finch & Mrs Bowles also Mr & Mrs Birby & family also G. Mickelson was down for a short visit. I went up to Lewis for a few shovels.

Monday 19

Weather fine. We planted 7 Sks potatoes in the field this afternoon Fred helping us. I went down to the old boat this evening and bought up some of our furniture. The River still rising
