

November 1930

Saturday 15

A fine clear day 6 below this morning I hauled some fire wood this morning and cut wood after dinner. A lot of ice going down the river. Frank getting ready to start tomorrow morning for Neg Creek

Sunday 16

15 below this morning I drove up with Frank to Willis from their Creek started for Neg Creek along with Bob McLeod. Very cloudy this evening with a light fall of snow

Monday 17

15 below this morning cold all day Willie brought down a load of steam and then we hauled some wood. The Police came down with his car he has arrested D McLeod for stealing and house breaking the trial will come up tomorrow

Tuesday 18

20 below this morning I went up to hold court this morning as Mr Abbott was up at hand we drove down to his place and held court. D McLeod got 6 months. Weather fine but cold. J Halban, J C Summers came down and killed the white steer
