

Saturday 17

Another fine day. I went up to see Mr. Thorsen after dinner and then I went over to Walter he came down with a load of shears.

Sunday 18

Weather fine we drove up to Jim's Hallen's place and met Paul Meled & wife Paul just got back from his trap line they came down with us.

Monday 19

Very mild all day. Thawing a little on the hill side. We drove up to the H. B. after dinner, Mr. Milven left this morning for Substern Cove with a team.

Tuesday 20

Blowing a strong Chinook wind this morning. Bob & Mrs. Meled went home after dinner I left him my team to go up with. The wind changed to the North this evening and turned very cold.

Wednesday 21

Cold and stormy with snow wind from North. The Spotted Cow had a calf in the bush I had a time pushing it home. Tomlinson came down for his saw and took it out to the build-up. Mild this evening and very closely.
