

January 1931

Tuesday 27

Weather fine very mild the snow melting of the snow. Willie came down with a load of hay. Old man Mr. McLeod paid us a visit for a little while

Wednesday 28

Blowing a strong Chinook wind all day very warm the snow nearly all gone. I went up to the P.O. mail had not got in it is very poor slippy roads all mud & water. The River now open a foot

Thursday 29

Very warm the snow nearly all gone. Willie brought the mail down this evening. Geo. Brossmer came down for a visit this evening he is moving out to Dawson Creek tomorrow when he has got a job

Friday 30

Continues very warm. Snow all gone it looks more like the month of April than January

Saturday 31

A fine clear day being about fresh around the place. The River going down. Snow all gone and looks like spring
