

January 1933

Monday 30

20 below this morning, but a fine clear day. Willie bought a load of hay I was busy at fire wood most of the day. 18 below at 10 below this evening

Tuesday 31

20 below this morning, wind from north with snow all day. Clear towards evening. I went up to the P. Office also to the H.B. Mr. Seguin getting better he had been sick with the flu. He has now got a clerk who got me short ago.

February

Wednesday 1

22 below this morning. Clear and cold all day. I Smith bought down a load of hay this evening. 20 below at 10 this evening.

Thursday 2

30 below and cold all day. I drove up to Meade and also to Pingard's. Cold and clear this evening. 16 below.
