

1933 March

Monday 6

Very cloudy wind from North
I went up to the Post Office
and to the H B Store roads very
bad snow now over 3 ft
very mild this evening

Tuesday 7

Cold and stormy with howling
wind from North. 10 below this
morning. Mrs H McLeod down
for a visit cleared up this evening
and wind from West 5 below.

Wednesday 8

8 below this morning but a fine
clear day. Records and from
the north to day. Devereaux went
to the Babine to trap rats
Records will try and get dogs
and go back for his traps
& pens. 9 Below this evening

Thursday 9

6 below this morning fine and
mild all day we had a trap
from Kansas. Let's see if
going away to the old man
from 7 brought a flow from
3 below this evening
