

April 1933

Saturday 1

A fine <sup>and</sup> mild blowing  
a strong west wind all  
day but not a warm wind  
known a little around the  
place. I drove up and got  
the Mail a few summer beds  
around for the first time this year.

Sunday 2

Cloudy started to rain before noon  
and continued until evening  
the snow going fast on the hill side  
Willie drove down this evening  
blowing a strong west wind  
to night the cattle went on  
the hill for the first time  
Fred arrived from Sukkima

Monday 3

Wind and rain all last night  
but cleared up this morning  
and was fine all day the snow  
going fast. Willie went up  
this morning very wet around  
the place.

Tuesday 4

A fine clear day blowing  
a strong west wind but not very  
warm. I drove up to the H.P.  
meads very bad. Fred came down  
with me. Cold this evening.
