

September 1933

Thursday 21

A fine clear day. Willie finished cutting the oats at noon. He then took it over to cut some wheat that was down. A few showers this evening. Very cloudy towards bed time and started to rain.

Friday 22

Rain this morning but cleared up about day light. Johnny & I fixing fences. Cloudy all day. Cold towards evening. We dug for a short time in the well this evening.

Saturday 23

Started to snow early this morning but turned to rain later and continued all day. Cleared towards evening but very cloudy. The mail got in this evening.

Sunday 24

Cold last night but fine to day. We had a few visitors. Cold this evening.

Monday 25

Weather fine but cold. I was busy cutting oats part of the day but all was very wet.
