

February 1934

Saturday 24

23 below this morning and cold all day. Willie went home at noon. 13 below this evening and very clear.

Sunday 25

Continues cold. 23 below this morning cold all day. Franks went up to H McLeads for a dog. Mild this evening only 5 below at 10:30.

Monday 26

4 below this morning. Mild all day. We had a few visitors also to Taylor with his dog team. Franks brought down the team and sled and hauled a few loads of fire wood. Very mild this evening. 20 above ten.

Tuesday 27

on fine mild day. started to blow a strong west wind about noon and ~~was~~ thawing a little. Franks hauled some fire wood before noon. he took the team up to Miller after dinner. I was busy at mining accounts. started to freeze a little this evening but still blowing a strong wind.
