

May 1934

A Sunday 13

Very hot all day
 Frank & Willie came down
 River very low, but it will
 soon rise with the first water

Monday 14

Very hot again today I was
 busy in the garden most of the
 day. Clouded up towards evening
 and may rain. Frank came
 down this evening for the horses

Tuesday 15

Blowing a strong West wind all
 day. The River came up about 1 ft
 I planted some corn & tomatoes and
 I watered the garden this evening
 as the ground is getting very dry

Wednesday 16

A fine clear day very hot. I went
 up for fuel for my team. I also
 went to the H.B. the fruited bedding
 Frank will seed tomorrow. The boys
 & Leanne came down for supper
 They brought the mail. The River
 coming up fast
