

May 1934

Tuesday 22

a fine clear day. I drove up to Passaic Quarter. Fred is staying there to discuss my corn. I saw the Hogwashed yesterday but he is not very strong yet. I planted some potatoes and bean flowers. The ground is in good shape though the roads are in good shape.

Wednesday 23

fine weather and very hot. Went up to the Hall and put in some seeds. The ground gets very dry. The mail goes in at noon. The River rising.

Thursday 24

Victoria day or ball game on at C. Late a very hot day. I was busy in the garden about 2 hours.

Friday 25

cloudy this morning with a few light showers. Heat cloud up later and very hot. I was up at 3.5. planting the garden 2 mins. and from Johnston by car they are going up the River to prospect. The River rising.
