

September 1934

Wednesday 19

cleared up this morning but
12 degrees frost? but fine all day
Wind South West - most of the
snow gone roads very bad the
mail did not arrive very clean
to night - but cold

Thursday 20

snowing this morning but cleared up
before noon but cold all day the mail
arrived the roads very bad airplane
arrived and went North West from here
very cold to night

Friday 21

continuous cold and stormy
I dug potatoes after dinner
very cold this evening

Saturday 22

continuous cold with snow but
cleared towards noon. I dug up
all of our potatoes. Fred helping
very cloudy and cold this evening
no mail
