

May 1935

Tuesday 7

A fine clear day and very mild
I was busy raking up around
the place the boys farming
wheat. Cloudy towards evening

Wednesday 8

A fine mild but below a strong
West Wind. Fred went to the
farm to hunt Rats. I was busy
about jobs. A school meeting
at 8 to night

Thursday 9

A fine mild day I and Susan
plowed the garden and harrowed
it - I transplanted a few flowers
this evening. a few showers
with thunder

Friday 10

Cold and stormy with rain
and blizzy, a strong north wind
angry across the morning from
Saskatoon Port. Very little doing
