

June 1936

Tuesday 16

Rained heavily all night but cleared up about 10 A.M. and again started to rain towards evening for a short time. Very little doing. I planted a few cabbages. Very cloudy to night.

Wednesday 17

Rained heavy all last night cleared up towards noon and started again towards evening and rained heavy the rest of this evening.

Thursday 18

Rained heavily all last night and showers all day but clear this evening. An aeroplane left for St. Helens this morning.

Friday 19

A fine clear day. I drove over to the H.B. show Mrs. B. King and made my first from ground this evening.
