

September 1936

Wednesday 16

A fine clear day Fred drove  
down with Dingson and they  
butchered a small steer and  
cut it up John went to get  
the mail but on account of bad  
road the mail did not get to  
Dawson Creek to catch the train

Thursday 17

Weather fine I was cutting up  
the Beef and salting it  
Blowing a strong West Wind  
this evening John got the  
mail after dinner

Friday 18

Blowing a strong Gale of West  
Wind I was busy taking up the  
Potatoes in garden I finished  
this evening John dug up  
his potatoes Angus I had  
starting Sheaves Very Cloudy  
this evening

Saturday 19

Very Cloudy all day we took  
the Vegetables in garden I drove  
over towards evening for the mail  
but was not able to get in last  
John went for it after supper  
Being heavy tonight and  
Very cloudy
