

December 1936

Wednesday 2

15 below zero this morning
 just about 7 in snow during the
 night cloudy all day blowing
 a N.E. wind Johnny got the mail
 Frank hauled 4 loads for coal
 started to snow to night

Thursday 3

Cold and stormy wind N.E.
 15 below zero this morning and
 cold all day I went over to the
 H.B. after dinner having to
 some mail over to the Puffin
 very cold to night and blowing
 a strong N.E. wind

Friday 4

40 below this morning cold
 all day busy at old job and
 put up the stove in our
 bed room H. McLeod loading
 up freight for Siskiwit Bay
 40 below to night - at 10³⁰

Saturday 5

36 below this morning blazy a cold
 N.E. wind we were busy at work
 I drove over and got the mail
 this evening Report is the River
 is full of ice 12 below
 to night and cloudy
