

February 1937

Wednesday 17

Continues fine mild weather
Wind blowing from West
but not thawing banks
Not very well. I was busy
at ad jobs the people in town
have started hall day
the glass 20 above all day

Thursday 18

15 below this morning but fine all day
I was busy at wood work
hauled down hay to the horses
in the field as they are getting thin
25 below to night at 10

Friday 19

10 below this morning cold all day
Frank cut and hauled a load
of firewood I drove to town and
got the mail. A Liberal meeting
at Rigdon this evening I went
but was elected 23 of figures for
this year Mr R. Loring for Chair
and Mr Rigdon Secretary
I got home at 11 o'clock
