

December 1937

Monday 6

Cold and stormy with
snow wind from north
Frank got the mail this morning
Cold and stormy all day

Tuesday 7

Bleen and cold all day
the Yukon Airplane arrived
about noon on the way north
Frank cut fire wood in
the bush. I was busy doing
fire wood about 10:00
and May snow

~~Saturday 8~~

Wednesday 8

Cold and stormy all day
Frank cut some fire wood
in the bush. I was busy
about got the mail plane
got in this evening and
left after a short stay. The
very cold to night

Thursday 9

Cold and stormy all day
Frank cut wood in the bush
A plane arrived at the lake
and stayed for short time
and returned back north
A cold north wind to night

the
Frank
and
all day
the
above
